UPCOMING STATUTORY CONSULTATION ON MANDEVILLE ROAD

Dear Business Owner,

As part of Visions for Northolt, Ealing Council will be carrying out highway, cycling and public realm improvement works along Mandeville Road and Church Road, between the junction of Ealing Road/Mandeville Road and the east of Target Roundabout. The team has worked with local businesses, stakeholders and the community through an extensive engagement programme to address poor connectivity, congestion, road safety and air quality in Northolt. The works will bring benefits to all road users and enhance user experience across the town. The forthcoming programme of work includes:

- Widened and enhanced footways
- New and improved cycle routes
- New trees, planting and street furniture
- New and improved crossings
- Stop and Shop Plus parking scheme and the provision of new loading bays. Parking tariffs can be found on the PayByPhone app or online:
https://www.ealing.gov.uk/info/201181/visitor_parking/1281/public_visitor_parking.

(Please note loading should take place within dedicated loading bays only)

These improvements will make travel in Northolt safer, easier and more pleasant for all, including cyclists and pedestrians. More information on engagement, how feedback has been taken on board, and the design proposals will be published shortly at <https://visionsfornortholt.co.uk/connected-northolt.html>. As a result of widened footways, businesses may apply for a Pavement License for shop-front furniture. Please visit:

Statutory consultation will commence on 27 March 2024, and will run for 21 days. Once live, comments and feedback can be shared by emailing trafficnotices@ealing.gov.uk.
